Presidents Report: by Sean

Welcome to my first Presidents report. Kirsty is excited to be 'First Lady'.

I must congratulate the outgoing Committee members who have made a tremendous contribution to the Corvette Club of South Australia.

Outgoing President Rob has devoted a total of 10 years as the head honcho. His natural leadership abilities have been invaluable in making the club the success it is. He has been the Captain that has steadied the ship and kept it going in the right direction as we have grown to over 300 members. Rob will remain as a general committee member to help out when required.

Conditional registrar Mark Dixon has held the important position as Club Registrar for 10 years, overseeing the change from the old "club rego" through Conditional registration and now including ICV registration. It is an important position and has seen the numbers grow to 200 vehicles that are owned by club members, registered on this scheme. Mark will remain on the Conditional Rego team to help out when needed.

Newsletter Adrian stepped in and took on the job when there weren't any other volunteers, a difficult job to learn straight up, but despite working away he has managed to keep the Newsletter going to a high standard, which is an important club role. Adrian can take a break now that Stuart has volunteered to take over that role.

The 2024 committee consists of Sean Hayter, Catherine Neagle, Jemma Kitto, Gary McPhee, Peter and Lynda McBride, Peter and Shirelee Mourdoukoutas, Tim Epton, Maelyn Batchelor, Sergio Giacomelli, Stuart van Doorn, along with Auxiliary Committee members Tony Beer-Smith, Rob McConnell Neil Portlock & Goof Katzorke and Conditional Officers Arthur Hasse, Kevin Jarrett, Spiro Spyropoulos, Mark Dixon, Dave Sargent.

I'm guessing my job will be Chief cat herder as we get on with the job of keeping the club heading in the right direction.

Sean.

Oh, One other thing:

Questions with Answers

There have been some Chinese whispers that circulate and even some wildly inaccurate information.

As a result the Committee has implemented a question and answer strategy. If you have a question that is keeping you up at night, then approach any of the Committee members with that question.

You can send it on an email to the Secretary, or even just write it on a piece of paper.

The Committee will formulate a correct answer and that answer will be promulgated to the club members, via newsletter and general meeting.

This way a correct answer is given, and the entire club including the committee, can learn something new along the way.

The only stipulation is that you put your name to the question. We will only answer bona fide questions, from bona fide members. The published answer will not have your name attached, unless you specifically want it to be.

Prez Sean.

CLUB SPONSORSHIP

Do you know of an organisation, business or an individual that would like to be involved with and join our Corvette community?

Our club is always looking to build mutually beneficial relationships with the wider community of motoring enthusiasts and has a range of sponsorship options available.

We have some exciting opportunities coming up over the next few years with our club's 50th anniversary and the 2027 Corvette Nationals.

For further information contact

Public Officer: Peter Mourdoukoutas on 0402 447 688

6th Westlakes Lawn Bowls Club – Bartley Terrace, West Lakes shore. Bar will be open and they will also have instructors to help us. 6pm Start – 16th March. Spectators Welcome. BBQ Tea with salads. \$10 per head. Trophies will be awarded. Please contact Peter Bartlett – 0429 546 981.

Future:

29/3 Canberra “Not the Nationals”. Let Sean Hayter know if you are going. 5 SA cars attending.

April Club Dinner. Need organiser.

7th April – Palmer Hotel Run. Neil and Goof arranging. Leaving Kmart – Anzac highway, 9.30, leaving 10am.

Saturday - 13 April 2024 – Strathalbyn Neighbourhood Club. Show and Shine with BBQ. Please contact Graeme Walker. Need numbers by 3rd April.

21/4 Club run to Collingrove Hill Climb. Can take your Vette up the hill if you sign indemnity form.

Christmas in July – Possibly 28th July. TBC.

Sean provided list of club events that occurred for 2023-2024.

Club Dinner, Tonsley; Pete and Lyn; Nationals – Ballarat - John
Presidents Easter Run/BBQ; Rob & Karen Strathalbyn Run & Lunch; Graeme & Joy
Bocce Bowling & Dinner; Serge Cavalcade of Cars – Moonta; Alan L
Club Dinner Cruising Yacht Club; Sean & Kirsty Sunnyhill Distillery & Yorkes & Lunch; Pete & Lyn
Presidents Run – Sedan & Lunch; RobOLW – Hahndorf & Birdwood; Sean and Kirsty
Club Dinner – Sth Adel FC; Jim and Catherine Heartkids Walk & Lunch; Greg
Hills Club Run & Lunch & Rezz Hotel; Peter, Graeme and Team
Meet the Vics LWE, Mildura; AJ & Julie Auto Expo Club Display –Wayville; Rob and Team
Club Christmas Show – Dirty Devils; Maelyn Club Christmas BBQ; AJ & Julie
Kegel Bowling & Pizza; Goof & Mel Old Tailem Town & Lunch; Pete & Lyn
Australia Day Cruise & Lunch; Graeme & Joy CRTB – Annual Show and Shine; Pete, Lyn and team
CRTB Sat Night dinner – Watermark; Pete & Lyn GMH Tour & Lunch; Angelo.

Thank you and to all that attend. This is what makes our club successful.

Web Master: Apology. March Newsletter and events calendar is up. CRTB photos are nearly there. IT Peter missed part of the write up, but he is fixing it. Once sorted, Peter McB will then send up write up and photos of Heart Kids show and shine.

Public Officer: Lodged the application to the change to the Constitution. Waiting on CBS. Completed audit of the books. Everything balanced.

General Business:

Rob read out an email from Peter and Lyn on CRTB regarding questions that have been raised. Catherine advised that Pete and Lyn start dealing with the Council from August. Huge job. Thank you once again to Pete and Lyn.

Graeme Walker – Club Trophies – What are we going to do with our club trophies? Any suggestions, please let us know.

Bob – Suggested the Club purchase a Defibrillator. Will leave with the committee to discuss.

Gary – Dreamride – Providing a drive in your car for kids - next Sunday – Wigley Reserve. Still not too late to register.

John – NCRS – nothing heard from NCRS on the advert.

Rob – Closing remarks – if there is something that you do not know and would like to know, please come to the committee. If they do not know, they will find out and come back to the person with a response.

Graeme Walker – Thank you very much to Rob for his excellent leadership as our President for the total of 10 years. Rob thanked the committee and also the members.

Heartkids Presentation:

Ellen. Read a story about Natalie, a Heart mum, who presented at the Heartkids walk. We will include the write up in our newsletter.

Presented to Heartkids \$5,000 as our donation for the 2023-2024 year of fundraising.

Membership Draw: 41 – Garry Bergen – Congratulations - \$40 is yours!

Garry very kindly donated this back to Heartkids. Thanks so very much Garry.

Raffle prize winners:

Lucky – St Patricks 4 Leaf Clover – Graham Hay –

Lucky Envelope – BBQ set or Massage Gun – Winner – Tim Epton – 100.

D58 – Breck Falconer- bottle of Wine; D30 – Tim Epton – Model Car; B30 – Graham Hay – Chocolates; D11 – Goof - Stuffed (toy)Rabbit.

Meeting Closed: 9.03pm

Recorded By Catherine Neagle

Date: 6/3/24

EDITOR NEEDS YOUR HELP 😊

Hey, I'm always looking for members old and new to send me write ups and photos of their Vettes for a "Car of the Month" feature.

I'm also needing members to provide write ups and photo's from any club runs and dinners. Your help here is always appreciated.

Lastly, I'm always on the lookout for any "entertaining" fun photo's of members that we can publish without being sued.

Articles and photos can be emailed to me at: sturuthvandoorn@gmail.com

Thanks everyone.

Clubs visit to the Holden Manufacturing Heritage Museum

March 3rd 2024

On March 3rd, members gathered at two meeting points, Harbortown and Gepps Cross, to cruise to the Holden Manufacturing Heritage Museum.

Departing at 9:45 am, our convoy made its way to the front parking area of the Holden Office building before venturing into the old Holden Plant.

Nestled within the Elizabeth Holden Site Canteen, the museum serves as a memory for automotive enthusiasts.

Run by volunteers, many of whom are ex-Holden employees, they meet weekly to meticulously curate the manufacturing legacy, offering insights into Holden's evolution. From its humble beginnings to the production of iconic models like the Commodore, the exhibits showcase Holden's contributions, including its wartime efforts in producing ammunition and vehicles.

The displays included the last clay & fibreglass full size models, export cars, various engines, items from the factory floor, machinery and the original Holden sign which was on Philip Highway.

After our visit, we cruised to the Lyndoch Hotel, where approximately 45 members gathered for a leisurely lunch and casual conversations.

Thank you to all who attended; I hope you all enjoyed the day.

Angelo DeMasi

OUR SUPPORT OF HEART KIDS

Rob presenting Ellen Mitchell from Heartkids with a \$5000 cheque at the February Meeting

NATALIE SCUTELLA HEARTKIDS SPEECH Read by Ellen Mitchell at the AGM 6.3.2023

Our heart journey began at our 20 week antenatal scan when the sonographer told my husband and I that our baby's heart didn't look normal. Our obstetrician was made aware and he wanted to see us straight away. This was news we were not expecting to hear, nor had we prepared for because all previous tests and scans had indicated that everything was fine. We anxiously rushed to see our obstetrician who gave us the devastating news – Our son appeared to have a serious heart condition called hypoplastic left heart syndrome which was later confirmed by echocardiogram. On top of this, we were told that we would be unable to deliver our baby here in Adelaide and that we would have to birth in Melbourne as our son would require his first open heart surgery shortly after birth to survive. There are no words to describe how we felt in this moment, and it is a day that I will never forget. I remember thinking to myself – what have we done wrong? why is this happening to us and our child? It was extremely overwhelming to say the least and the picture-perfect pregnancy I had imagined for so long was suddenly taken away from us.

Cont. next page

With the incredible support of our families and friends, hospital staff both here and in Melbourne and the ongoing support we received from Heart kids we were able to successfully plan our move to Melbourne when I was 36 weeks pregnant. Heartkids helped us secure accommodation at Max's place – a private unit directly opposite the Royal Children's Hospital. This was our safe place and we are so grateful to have stayed here during our time in Melbourne. It was incredibly hard to leave our family and our beloved dog Hugo behind, but we had so much hope that we would be returning home with an incredibly strong, determined and resilient little boy who would steal everybody's hearts forever and boy, were we right.

Our first born, our heart warrior Santino entered the world on the 16th of March 2023. In that moment all the anxiety and worry I had previously felt had turned into happiness, joy and gratitude as I now had our little boy safely in my arms. Shortly after Santino was born, he was taken away by medical staff to be stabilised and transferred to the Royal Children's Hospital where he would receive ongoing care and monitoring.

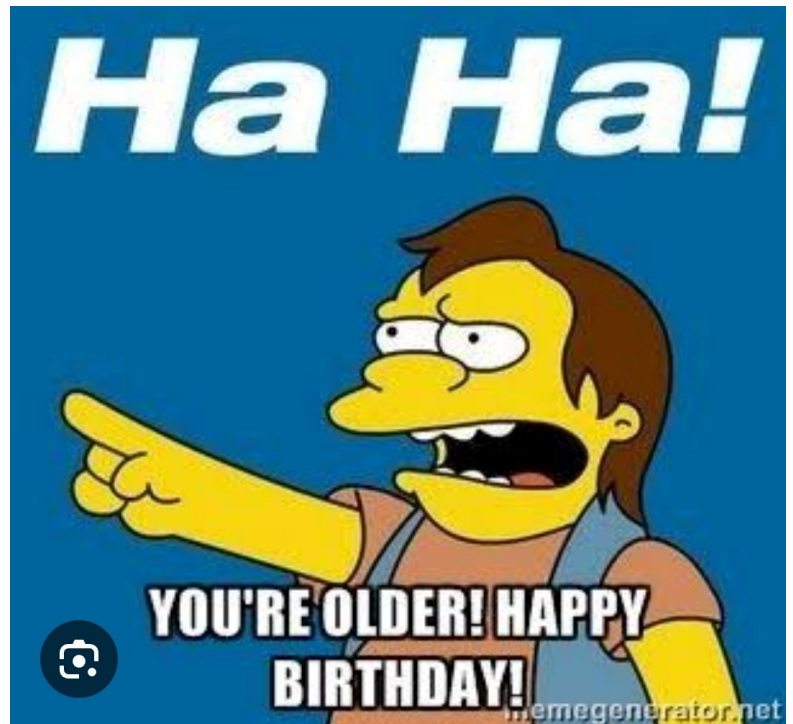

At just 6 days old, Santino underwent his first open heart surgery – a time that was so scary and unpredictable but one where we had so much support. The care that Santino received from the doctors and nurses at the Royal Children's Hospital was second to none and the emotional support we received from Heartkids was invaluable. They were our biggest advocates and our shoulder to cry on during some very difficult days. During Santino's first phase of recovery, we celebrated his first Easter and my first Mother's Day – Heartkids were so kind as to provide us with gifts to celebrate these special occasions and it is acts of kindness like these that we will remember during such challenging times. At 3 months old, Santino underwent his second open heart surgery – a time that brought upon different challenges and emotions for us as we had developed a bond with Santino now. Santino's recovery was very up and down however his strength and determination to push through gave us the strength to do the same and on the 27th of June we finally returned home. We stand here today knowing how blessed we are to have Santino with us and we acknowledge the families who have not been as fortunate as we have. Our thoughts are with you as we walk today to remember your beautiful heart angels.

Despite all he has been through in his short 7 months of life, Santino embraces every single day with a smile. He is the most happy, determined and resilient little boy, just as we imagined he would be, and we are so honoured that he chose us to be his parents. Santino is meeting all of his milestones and continues to amaze health professionals with his progress and although we know he will have many more obstacles and challenges to face, we are so hopeful that his future will be bright. For us, today is not only about honouring our heart kids and heart angels but it is about giving back to heart kids after all that they have done for us and other families just like ours who will be walking with us today.

Despite all he has been through in his short 7 months of life, Santino embraces every single day with a smile. He is the most happy, determined and resilient little boy, just as we imagined he would be, and we are so honoured that he chose us to be his parents. Model Corner

BY NEIL BAILEY

The first corvette to pace Indianapolis was in 1978, which was Black over Silver, it was supposed to be a limited edition ! But that didn't happen and numbers produced blew out. Since then there have been 13 Corvettes that have had the honour (2 different cars in 1 year 2008) of leading the pack at Indy. So where is this article headed, if you are a collector you need to determine what scale you are going to deal with. The lower the scale the more available that models are so 1/16th means that there are a lot of models out there (match box, Hot Wheels) and they don't take up a lot of space. 1/24th scale increases the the detail to some degree and also in-

creases the number of models available. It also means that you can purchase build your own plastic kits. I decided that I would just collect 1/18th corvettes, because it gives the best detail, but reduces the number of vehicles represented, they also take up a lot more space. Then there is the option of 1/10th & 1/12th but there are not too many Corvettes represented at this level.

Indy pace cars have become my passion with in the collection of vettes, I currently have 15 of the 18 Corvette pace cars in 1/18th scale. Not all of the pace cars are available for general sale and a couple I have had produced for me. I even had a crack at making one myself which involved purchasing the model and getting the decals made. Maisto

were the most prolific of manufacturers doing 1/18th Pace Cars their total being 7, all in metal with opening parts and good detail. UT produced the 1978 pace car and a few others, this particular model has become sort after and has jumped way out in price, where as some of the others can be bought for under \$100. There are a couple that have been based on Autoart models most recently those turning up for the C8 representations have been based on GT Spirit cars with no opening parts at all. There are also a series of five Dayton and Le Mans series pace cars based on the C5 model.

Model Corner Continued

So where does this leave us !. The market for older better produced models has seen prices driven up, some that were \$200 new are now selling for \$700 or more. The rarer models are now selling for over \$1000, in particular anything made by Autoart, BBR and Exoto.

Whilst other manufacturers have dropped in price because the market realizes that they are nothing but toys. Where to shop, don't count on Ebay or Amazon being the cheapest source, it pays to spend time researching around the internet and actual dedicated retailers, I recently saved \$150 by going to a dedicated retailer rather than on line shopping. There are a number of sites on Facebook which deal in the sale and collection of Corvette models.

Through some of these sites and networking , I have been able to purchase a number of very rare models at reasonable prices, I have also been able to get some models built to my own specifications as one off cars, mostly Indy pace cars which I have a passion for. Corvette have record for the number of representations at 19 for this even. I love 1/18th models due to the detail they have, but if you want quantity as in the number of Corvette models available then 1/24th & 1/16th is the way to go. These will give you every vette made in all colours but they don't have the detail of the larger scales.

CLASSIFIEDS

Wanted to buy : Set of chrome extractors and side pipes with all fittings to fit 1974 C3 Auto 383 Chev Stingray.

CORVETTE CLUB LAWN BOWLS CHALLENGE

The inaugural "Corvette Club Lawn Bowls Challenge" was conducted at the West Lakes Lawn Bowls Club on Saturday 16th March. We could not have had a better night with the temperature in the high twenties and virtually no wind or rain. Club members started arriving at about 5.30pm some very eager to get on the greens to have a go! The club shouted everyone a pre-bowling BBQ with salads and the bowls club bar was open to provide the appropriate lubrication that is required to learn how to bowl. Once everyone was fed, we were ready to learn how to bowl. We had 5 volunteers from the West Lakes Club to show everyone what to do. What could possibly go wrong!!!!

Everyone had a practice for about 15 minutes and then the group was divided into 8 rinks and teams of two people playing against each other in the first round.

There is a little bit more to learn in lawn bowls as opposed to Bocce or Kegel bowling.

After an initial period of confusion over scoring and who's turn it was and how to fill out the score card, we were off!

Lawn bowls do not go straight, so the little dot has to be on the inside otherwise they end up on someone else's rink, this happened quite a bit in the beginning. After the first game the teams were then divided into 2 sections. To be fair the winners of the first game were matched against other winners (cause they were quite good) and the losers against other losers (cause they weren't quite as good). This gave everyone a chance to win. After the second game a raffle was drawn and the winners and runners up trophies were awarded.

I hope everyone had a great night. It was our first time organising this event and we will make some changes for next year. Thankyou to the volunteers who helped from West Lakes Bowls Club and also to Dale (trophy bases) and Chris (the food shopping).

The inaugural bowls challenge winners were :

RUNNERS UP – SILVER BOWL AWARD

Alan Litchfield and Dale Goldsmith

FIRST PLACE – GOLD BOWL AWARD

Max Wilkin and Graham Johns
