# PRESIDENT'S REPORT

Hi All.

We have successfully changed meeting venues and it is a good change for us, the GLENELG Baseball Club was very welcoming, and we look forward to settling in over the next few months. A big thankyou to Lynda and Peter and the rest of the committee that were involved in the hunt for a new venue, a job well done, Not sure about some (most) of our members though, because when I asked, as I normally do, if there was anyone here for the first time the majority in attendance raised their hands, the rest didn't get it including me, it was all down hill from there. Just a word of warning, the tree I parked under must have had an elephant in it judging from the size of the droppings on the bonnet.

You all will know that I am now on a first name basis with the Premier as I have now received official confirmation, on official letterhead and signed by the Premier himself that it is 25 years for conditional registration so if your car was manufactured in 1997 or earlier it is eligible.

The Nationals in Ballarat 24-27<sup>th</sup> March 2023 are open for registrations and hotel bookings, it's the closest Nationals that you can attend apart from ours in 2027, if you haven't ever been its well worth the effort check out the details either on our website or in this newsletter.

Checkout our events coming up, some interesting ones including a hill climb, (before you get excited about that four letter word WALK you actually climb the hill in your car), then there is the run to Mt Mary and our annual KEGEL comp plus many others and that's just before Christmas.

Stay warm  
Happy Vetting

Any parts that you require that are not in stock are normally 10-14 days away, as we place orders to America on a weekly basis.

Corvette Conversion Centre is pleased to announce that we have developed brackets to mount the RRS Rack and Pinion steering system to C3 Corvettes. This will be the perfect solution for poorly converted Corvettes or if you just want a more modern feeling steering system.

# CCSA MID YEAR DINNER

This year after we were able to have a midyear dinner not like the last few years. The Tower Hotel at Magill was the venue and we had our own private venue even if the tables were a little bit separated.

Initially there were 46 people booked for the night but a few had to pull out prior to the event due to illness. I do hope those that couldn't make it have recovered and we hope to see you at a club meeting in the not too distant future.

There was also three other people that that couldn't make it on the night. Two of those were because they got the dates mixed up (no it was not Tom S) and thought the night was the following week. Now the other person couldn't make it due to something called a Micro Sleep after a very busy day elsewhere. I do have to say that those people that didn't make it, You missed out of some great food and company.

Mel K was a very good girl on the night and stayed off the turps as she was doing Dry July. On the night she decided to do a collection from the members present. Now some of the members have already donated to Mel and others but to everyone's credit Mel managed to raise \$170 for a great cause (breast cancer is Mel's chosen charity). I am sure that all of us know someone who has been effected by cancer in some way so it is a worthy cause.

Going around the room on the night I think everyone was very impressed with the food that was served, especially some of the entrees as they were big enough to be a main course. Looking forward to the end of year dinner, so keep an eye on the emails and newsletter.

# CCSA MID YEAR DINNER

## The Wave

When a new Corvette driver takes his/her car out for a drive, they may be initially perplexed about why all the other Corvette drivers are waving at them. This grand tradition is referred to within the Corvette family as "THE WAVE". Ever since Corvette No. 01 first met Corvette No. 02 on the road, their drivers saluted each other with waves.

The Corvette Wave is now an integral part of the mystique and culture of the Corvette owner experience. Corvette owners who wave at fellow Corvette owners when they pass on the road, show a mark of recognition that you are among the elite group of intelligent people who are driving America's True Sports Car.

As a new Corvette owner, you should know the five simple Corvette Wave rules:

**There is no excuse for not waving at your fellow Corvette owner.**

Although most Corvette owners have the class and understanding to accept when their wave is not returned, not waving is a serious breach of proper Corvette etiquette.

**Whoever sees the other Corvette first, starts the wave.**

There isn't any rule about who waves first. This is simple; if you see another Corvette, wave!

**Rules 1 and 2 apply to both sexes.**

As far as who starts the wave, it doesn't make a difference if you are a man or women. Rules 1 and 2 apply.

**Any type of wave is okay.**

Whether you shoot a big wave up through your open Vette top, out the window, or a quick salute with your hand on the steering wheel, any wave that can be seen by the other Corvette driver is okay. However, this does not include any style of jester that can be interpreted as obscene or insulting.

**A late wave is better than no wave.**

If you suddenly realize that a Corvette driver is passing and waving at you, get a wave off as soon as possible. The other Corvette driver may see your wave in their rear view mirror and realize that you were just a little late in getting your wave going.

So you can see the underlying concept here is simple: Wave at your fellow Corvette owners, whoever they are, whenever you see them. This will show you are a person who understands the full measure and etiquette that comes with your proud ownership of a Corvette.

THE HON PETER MALINAUSKAS MP

PREMIER OF SOUTH AUSTRALIA

Mr Rob McConnell  
CORVETTE CLUB OF SOUTH AUSTRALIA  
PO BOX 230  
FINDON SA 5023

Dear Mr McConnell

I am writing to you today to let you know we are delivering on our commitment to extend the conditional registration scheme for historic vehicles.

**From 1 July this year, a vehicle will be eligible as a historic vehicle or left-hand drive vehicle if the owner is a financial member of a registered club, and their vehicle is 25 years or older as of 1 January the year in which the vehicle was manufactured.**

This means a vehicle will now be eligible for the scheme if it is manufactured before 1997, rather than 1992 under the 30-year restriction.

This initiative will get more classic and historic vehicles onto the road for club events and exhibitions, and support the car restoration industry, including panel beaters, spray painters, mechanics, auto electricians and motor trimmers.

It will also help to preserve South Australia's proud car manufacturing history.

As a result of this change, the Code of Practice for the Scheme will be amended to reflect the change in eligibility criteria for historic and left-hand drive vehicles. No changes will be made to the conditions of vehicle use. The new Code will be available online from 1 July 2022 at [www.sa.gov.au](http://www.sa.gov.au).

In addition to this, as part of our commitment to support car clubs my Government is also delivering \$2 million over 4 years for a grants program.

This will mean car clubs can better meet the growing operating costs, including managing the conditional registration scheme. It will also allow clubs to host bigger and better events and get more South Australians involved.

This grants program will open later in the year and we will provide further details to your organisation this in coming months.

Please pass this information onto your members.

Yours sincerely

Peter Malinauskas **PREMIER** 24 / 06/ 2022

**BALLARAT 2023**

**March 24th - 27th 2023**

*Proudly brought to you by ...*

# 2023 Gold Rush Nationals

Source: City of Ballarat

**Corvettes of Melbourne, Vic Vettes and Surfcoast Corvettes** will host the first Corvette Nationals since Queensland in 2019, due to the enduring Covid 19 pandemic. It is important that we recognise and thank the South Australian and Canberra Clubs for their ongoing efforts attempting to hold the Nationals in the face of insurmountable odds.

Taking place in historic Ballarat, the **2023 Gold Rush Corvette Nationals** will run from **24-27 March**. This event has been moved away from Easter to avoid congestion and make our event more affordable for attendees.

All rooms have been secured at **Mercure Ballarat Hotel and Convention Centre**, which will transform into the Corvette HQ during the event. The campus-style facility means your cherished Corvettes can be parked immediately adjacent to, or in close proximity to your room, with additional security provided. The good news is we've been able to negotiate a fantastic rate for these Nationals so we advise you to get your bookings in early – otherwise, overflow accommodation will be available at a nearby hotel.

Polish up your Corvettes, pack your favourite convention- and nationals- themed shirts, dig out your club regalia, pack your gold dancing shoes for the Gala dinner, and make your way to Ballarat for fun with the Corvette family. We look forward to seeing many familiar faces and to meeting the growing number of new enthusiasts.

### ***What will the 2023 Nationals offer?***

The Nationals will be held in and around Ballarat, Victoria's third largest city. During the 1800s, Ballarat was the epicentre of Australia's first gold rush, spawning the Eureka stockade as well as a rich history, culture, and well-preserved colonial-era heritage. That's why we're calling this event the **2023 Gold Rush Corvette Nationals** – we'll also take the opportunity to profile and feature the new **Corvette C8**.

#### ***The Program***

##### ***Friday 24 March 2023***

On Friday, book into the event, receive your gift bag, and mingle at the traditional **Meet and Greet** to follow that night.

**The National Presidents' meeting will take place at 4pm.**

##### ***Saturday 25 March 2023***

A **Show 'n' Shine** will be held at scenic Lake Wendouree.

On Saturday night, we'll venture over to **Sovereign Hill** for a unique gold rush experience and to take a closer look into history of the era. Substantial finger food will be provided and drinks will be available to purchase from the bar.

##### ***Sunday 26 March 2023***

On Sunday, we'll take a **picturesque cruise** through the local gold country and surrounding country towns, enjoying lunch together and some **Show 'n' Shine awards** presentations before returning to the Mercure Hotel.

Upon arrival back at the hotel, there will be time to relax and have a drink with old and new friends.

The **gold-themed gala dinner** will be held on Sunday night at the Mercure Hotel. There will be plenty of music, so glam up in your finest attire, dress to impress, and wear your best gold dancing shoes. Here, there will be additional presentations as well as auctions and raffles.

##### ***Monday 27 March 2023***

Time to pack your Corvettes, say **farewell**, and make the safe journey home.

### Rob's Funnies

My wife sat down on the couch next to me as I was flipping channels. She asked, 'What's on TV?'  
I said, 'Dust.'

And then the fight started...

-----  
When I got home last night, my wife demanded that I take her someplace expensive... so, I took her to a gas station.

And then the fight started...

-----  
I took my wife to a restaurant. The waiter, for some reason, took my order first.

"I'll have the strip steak, medium rare, please."  
He said, "Aren't you worried about the mad cow?"  
Nah, she can order for herself."

And then the fight started...

-----  
A woman is standing nude, looking in the bedroom mirror.  
She is not happy with what she sees and says to her husband,  
'I feel horrible; I look old, fat and ugly.  
I really need you to pay me a compliment.'  
The husband replies, 'Your eyesight's damn near perfect.'
