PRESIDENT'S REPORT

Hi All

What interesting times we are now in, by now you would all know that our 2020 Nationals have been cancelled with 2 years of hard work coming to nothing.

I would like to thank the 2020 committee AJ & Julie Martin, Catherine Neagle, Ruth & Stuart Van Doorn, Alan Norsworthy, Gary McPhee, Peter Bartlett and John Randell, the committee had put together and exceptional Nationals only to fall victim to COVID 19, we the Committee are now flat out working out what we are going to do with all the thing that we have for the Nationals that have dates etc that make them unique to this event.

I know that we are not the only ones that have had to cancel an event but it doesn't make it any easier. The Club Committee met last week and ALL Club meetings and dinners will now be suspended until we are through this COVID 19, we may still be able to hold Club runs but there will be no coffee stops or meals we are currently working on that and we will email members when something is organised.

We will still be publishing our Newsletter but it will only be emailed, we may try to get it on our website so that it can be accessed by all members.

We the committee have taken these drastic steps so that our membership is not exposed unnecessarily to COVID 19.

The Seaton Ramblers Football Club where we hold our meetings informed us that the venue is not available until early June when they will review the situation and may extend its unavailability.

I would normally say "Happy Vetting" but I think that it is more appropriate to say look after yourselves and lets all get together when this crap is over.

Constitution Vote: - Life Membership

Last Current Constitution Membership Clause – NO CHANGE

Insert: 3.3.6 Life Membership.

Sean read out the new section for Life Membership and asked for any feedback.

Ruth van Doorn advised she is against life membership but if there is to be one, a nominal fee should apply.

Rob advised that with this new section, it was to recognise members that have been involved in the club and have made an effort to support and run the club.

It was pointed out that this amendment has been out to the members for at least 6 months, asking for thoughts or views..

A Member is unable to become a life member unless they have served on the committee for a minimum of 5 years.

This is then acknowledging people that have contributed their time and potentially financially to the club.

John Sturm – asked if Dave Nitschke would become a life member? He was involved in the club and was the President for many years. As the Constitution amendment was not passed before Dave passed away, he would not be eligible for Life Membership.

Laurie Witts – Advised Dave Nitschke initially started Corvettes at the Port and then CRTB. What about naming the event after him?

Larry Stanojevic asked why there has to be committee duty? It was pointed out again that this is for people that have Served on the committee as acknowledgement of their time and effort.

If voted in, Constitution can be amended at a later date with the committee reviewing every 3 years.

However there is a fee involved each time to amend the Constitution.

John Randell – Advised the Constitution can be changed at an AGM and also at a Special Meeting. Doesn't have to be at the AGM.

Life members will be acknowledged at the next AGM, March 2021.

Constitution Vote:

The Chairperson then asked the members to go to a vote.

If you vote Yes – accepting the rules that the insert states that you are only eligible for Life Membership if you have served on the committee.

No – don't agree with Life Membership at all.

Yes: 34

No: 13

Constitution change has been carried.

Election of New Committee:

The Chairperson declared all positions vacant and thanked all those on the Committee over the last year for all the effort that they have put in for the successful running of the Corvette Club of South Australia, especially with the Nationals in South Australia this year.

SUCCESSFUL NOMINATIONS WERE AS FOLLOWS:

GRINNERS & WINNERS CORVETTES ROCK the BAY 2020

Up early & down to Wigley Reserve to set up for the Annual Corvettes Rock the Bay show n shine. The weather gods were kind to us & we had a total of 96 cars turn up. This is pretty good for a one make car given it was exclusively Corvettes on display. We also had all 7 generations represented.

We wish to thank everyone who helped set up & pull down. Without you it would be a long day. Jim & Catherine were our parking officials, Stuart & Gary our parking attendants. Debbie & Graham promoted our event by getting AJ & Peter into the Messenger & Advertiser. A special thanks to Graham & Joy Walker with his flashing light who raised \$165 by asking for a gold coin donation to Heart Kids for allowing people to sit in a Corvette for a photo opportunity. Thanks also to the people who allowed the public to sit in their Corvettes. This was Shirelee's 1st year as merchandise officer, however she took \$1,150 in sales on the day. Thanks also to the ladies who helped out in the tent.

Music was supplied by the band "Rave On" who had everybody's toes tapping throughout the day.

Congratulations to all the people who won a trophy. Keep in mind it is the public & entrants who cast the votes, not the club members as such. It was great to see R4's grand-kids get a trophy for their Dad's car. Special thanks to John Randell who organises the Corvettes Rock the Bay Trophies each year!

The winners on the day were:-

TROPHY	SPONSOR	WINNER	CAR
1 st Entrants Choice	Gourmet Goodies Co P/L	Dimitri Meseldzija	'60 Convertible
2 nd Entrants Choice	Redline Motorsports	Carrie Jacobs	68 Convertible
3 rd Entrants Choice	Action Line Marking	John Harding	59 Convertible
1 st Public Choice	AJ & JA Martin Logisti	Danny Robinson	'08 Coupe
2 nd Public Choice	Ensenada Motor Inn	Mick Turner	'07 Coupe
3 rd Public Choice	Danny Robinson	Gary Bergen	'72 Convertible

Lastly we wish to thank everyone who came & enjoyed the day. It's great to see that a lot of members that are not always able to attend meetings or runs always manage to make the CRTB show. Eg Steve Bryers who flew in from WA for the day & had to leave early to fly back. That's commitment!

Thanks to all who helped to make it a great day from the CRTB Committee of

Peter, Lynda, Catherine, Ruth & Stuart

Mannum Hot Rod Run

We gathered under the sunny sky at the Frewville carpark around 8:15am for our 8:30am departure up the (boring) freeway, with new member Banjo in his silver C4, and picking up Serge and Jo along the side of the freeway, turning in towards Monarto, then along the back roads to Mannum.

We picked up Shaun and Graham/Joy at the parking bay on the outskirts of town, travelled the length of the main street all the way down to the ferry, then did our compulsory "U" turn before heading back to the down ramp to the reserve.

They parked us in our usual spot, right down the end of the reserve, all 13 of us. Up went Tony's shade tent under the trees on the bank of the river, chairs came out and the relaxing started. During the day we were joined by visitors Greg/Kristine (who started the run at Frewville but were leaving early) Stuart/Ruth with Coco n Pops, and Jim/Catherine.

Many varied classics, muscle and hotrods were on display. It was a great day for one member when he got back to his vette, he found a nice note left on the seat. Serge had won a trophy, 1 of 6 handed out on the day out of 220 cars on show that day. The last of us left around 3:45 and headed home. I tried a bit of spirited driving down the Gorge Rd, but kept getting held up by Sunday drivers. Next year, if I do the run again, maybe we'll head up the old Princess Hwy for a change.
