# PRESIDENT'S REPORT

Hi All

Summer is now in full swing with runs and dinners being well attended, the Australia Day run to Wellington had 29 Corvettes and a few other non-corvettes and over 60 sitting down for lunch, it was an impressive sight seeing that many Vettes snaking their way through the countryside.

**February 12<sup>th</sup> (Sunday)** is the clubs big event for the year, **Corvettes Rock the Bay**, and it promises to be another great event so get the Vette out and come on down, we will be finishing at 2pm instead of our usual 3pm that should allow some cruising time on the way home.

I have heard a whisper that there some who don't like the direction of some of our runs and there is a simple fix to that, see Sean and put your hand up to do a run, its always good to vary what we do and fresh ideas are always welcome.

**March 1<sup>st</sup>** is our **AGM** and if you only attend one meeting this year, this is it as we need to make some small changes to our Constitution and they are changing all references from club registration to conditional registration to bring it in line with the govt scheme, and reducing the quorum numbers to 10% from 25% and this is because we are getting larger as a club and difficult to get the required numbers at AGMs, at this stage most of the committee are renominating, but if you want to stand for a position see Lynda for a nomination form. Last month I called for interested members to nominate for the 2027 Nationals Committee and have now 10 people that are keen to be a part of it, thankyou and will be in touch shortly.

Happy Vetting

## *Specialising in Conversions, Restorations and Spare Parts*

  
cocomrw@senet.com.au  
0427 717 686  
corvetteconversioncentre.com.au

Specialising in C3 (1968-1982) Corvettes, we can do anything from routine maintenance to ground up restorations. This includes conversions to Right Hand Drive and reconversions on cars that do not meet current standards. We have a large inventory of new and used parts and panels in stock. Any parts that you require that are not in stock are normally 10-14 days away, as we place orders to America on a weekly basis.

Corvette Conversion Centre is pleased to announce that we have developed brackets to mount the RRS Rack and Pinion steering system to C3 Corvettes. This will be the perfect solution for poorly converted Corvettes or if you just want a more modern feeling steering system.

## **A Reminder for Corvette Club Members**

As part of the **conditional registration scheme**, the Corvette Club of SA is obligated to report all non-financial members to the DPTI by the end of January 2023.

So, if you have not renewed your membership with the Corvette Club for 2023 then do so before this date.

For non-financial members and those who have not had their log book signed for 2023 please note that you should not be driving your vehicle as you are classified as unregistered and uninsured. The Corvette Club of SA takes no responsibility if you are pulled over the police and you receive a fine/loss of demerit points or worse, are involved in an accident.

We need you.

Your Corvette needs you.

To come to the **Corvette Club AGM on 1/3/23.**

This follows the General Meeting.

Meeting Venue is Glenelg Baseball Club, Anderson Ave, Glenelg North. Doors open at 7:30 pm

We will be voting on proposed changes to the Club Constitution.

We will also be looking to fill the Committee positions.

It is critical that we have enough members present to make up the Quorum for the AGM to proceed.

More importantly, this is your club, so it is important that you come & have your say.

## **Paradise Hotel 20/1/23**

**20th of January was the Friday night Corvette Club Dinner, we had 21 Members and had the annexe booked so we had a nice view out of the windows to keep an eye on our Vettes. Except there were no Vettes, much to the annoyance of the bar staff who were looking forward to seeing some American cars.**

**Food and service was good, except for my table. We were the first to order but te last to get our meals. A sharp eyed waitress saw we had n't received our food so got on to the kitchen (the order was mislaid) Meals came quickly, but for the first time in 5 years of the Paradise being my local, my Steak was burnt to a cinder. I was quickly offered another meal or my money back**

**Company must have been good as Kate was way past her bedtime and stayed until last drinks were called I think everyone enjoyed the evening**

## 2023 Australia Day Run

It all started with a sunny 29 degree day, with our meeting place for the Corvettes Australia day Run at McDonald's Frewville ,arriving at 9.15am to find five Vettes parked. Their a keen bunch of cruisers. We made our way inside meeting members as we went in, handing out maps and manifest for club records, it wasn't long before the carpark had overflowed with Vettes, so the remainder of the cars parked at Bob Jane's next door sweet, with everyone all coffeed up it was time for the captains speech short and sharp so all members moved off to their cars ,as I backed out my parking space a large bang sounded, a cold shiver run through my body thinking a corvette had been involved in a collision, on further inspection it happened to be three small cars rear ending each other so there day seemed to be over but our day had just begun, driving up Glen Osmond Rd toward the tollgate Corvettes doubling up so as to allow everyone onto the freeway, the run up to Stirling went smoothly, turning off we were joined by Serge, Joe, Wayne & Sue.

At Mylor the bridge repair had not been finished with a set of stop lights to pass through. Waiting on the other side a blue c7 appeared from no where ,he must have got a shock to see all the corvettes waiting all lined up ha ha. With everyone through the bridge it was on to Meadows for a coffee break, it is there we picked up Stuart, Ruth, Phil Turbill, Graham, Debbie and also Angelo & his family in their Camaro nice car ,yes a quick talk then onto the last leg of our run to Wellington Hotel ,as we drove through the hills looking back in the mirror I saw 28 Vettes ranging from C3 to C8 running back a mile long a special part of the run ,as we drove into Strathalbyn Colin & Cyndy Dennis had prebooked their pickup point with me before hand good job guys ,it didn't take long to arrive at Langhorne Creek then Wellington Hotel arriving at 12.15 good timing.

The Wellington carpark filled up quickly with everyone hitting the bar for drinks and lunch ,I think the bar staff where under the pump but managed it ,as the meals started to arrive it was made clear that you were not going home hungry ,there were a few mix ups but was sorted out, a big well done Wellington Hotel. I would like to thank everyone that came on the run ,also thanks Peter McBride for taking the photos, also Tony Beer Smith for the maps and routes, get well Tony and Faye, And then there's Joy. Thanks, love, for helping me putting it all together.

HAPPY AUSTRALIA DAY

Let's show our support for this charity this year as it is only one week away.

You don't have to bring a Corvette along on the today but it would be good if you can or it could be one of your other toys.

It would also be great if we could be the club there with the most attendees.

**BALLARAT 2023**

March 24th - 27th 2023

# 2023 Gold Rush Nationals

Source: City of Ballarat

**Corvettes of Melbourne, Vic Vettes and Surfcoast Corvettes** will host the first Corvette Nationals since Queensland in 2019, due to the enduring Covid 19 pandemic. It is important that we recognise and thank the South Australian and Canberra Clubs for their ongoing efforts attempting to hold the Nationals in the face of insurmountable odds.

Taking place in historic Ballarat, the **2023 Gold Rush Corvette Nationals** will run from **24-27 March**. This event has been moved away from Easter to avoid congestion and make our event more affordable for attendees.

All rooms have been secured at **Mercure Ballarat Hotel and Convention Centre**, which will transform into the Corvette HQ during the event. The campus-style facility means your cherished Corvettes can be parked immediately adjacent to, or in close proximity to your room, with additional security provided. The good news is we've been able to negotiate a fantastic rate for these Nationals so we advise you to get your bookings in early – otherwise, overflow accommodation will be available at a nearby hotel.

Polish up your Corvettes, pack your favourite convention- and nationals- themed shirts, dig out your club regalia, pack your gold dancing shoes for the Gala dinner, and make your way to Ballarat for fun with the Corvette family. We look forward to seeing many familiar faces and to meeting the growing number of new enthusiasts.

### ***What will the 2023 Nationals offer?***

The Nationals will be held in and around Ballarat, Victoria's third largest city. During the 1800s, Ballarat was the epicentre of Australia's first gold rush, spawning the Eureka stockade as well as a rich history, culture, and well-preserved colonial-era heritage. That's why we're calling this event the **2023 Gold Rush Corvette Nationals** – we'll also take the opportunity to profile and feature the new **Corvette C8**.

#### ***The Program***

##### ***Friday 24 March 2023***

On Friday, book into the event, receive your gift bag, and mingle at the traditional **Meet and Greet** to follow that night.

**The National Presidents' meeting will take place at 4pm.**

##### ***Saturday 25 March 2023***

A **Show 'n' Shine** will be held at scenic Lake Wendouree.

On Saturday night, we'll venture over to **Sovereign Hill** for a unique gold rush experience and to take a closer look into history of the era. Substantial finger food will be provided and drinks will be available to purchase from the bar.

##### ***Sunday 26 March 2023***

On Sunday, we'll take a **picturesque cruise** through the local gold country and surrounding country towns, enjoying lunch together and some **Show 'n' Shine awards** presentations before returning to the Mercure Hotel.

Upon arrival back at the hotel, there will be time to relax and have a drink with old and new friends.

The **gold-themed gala dinner** will be held on Sunday night at the Mercure Hotel. There will be plenty of music, so glam up in your finest attire, dress to impress, and wear your best gold dancing shoes. Here, there will be additional presentations as well as auctions and raffles.

##### ***Monday 27 March 2023***

Time to pack your Corvettes, say **farewell**, and make the safe journey home.
