MAY NEWSLETTER 2014

PRESIDENT'S REPORT

No 'President's Report' this month I'm pooped!!

That was the official response from our President, so while Rob is having a well deserved break I will try my best fill this space for him.

Unless you have been living under a rock, or there has been a breakdown in the time/space continuum and you have been transported to some parallel universe you would know that the 26th National Corvette Convention has just been held in the Barossa Valley.

Wow, what an absolutely fantastic convention it was! First and foremost we must thank the organising committee for delivering a truly excellent event. A big thanks must also go to the multitude of people who helped out behind the scenes doing everything from preparing food to driving buses. We must also thank those who volunteered to assist at the various activities throughout the weekend and of course we must thank everyone who participated and travelled great distances to get there both with and without their cars. Finally we must thank our sponsors who without their generous assistance we would not have been able to host such a successful convention. Well done everyone!!!

Rob we hope you don't feel too burnt out from the convention. If things start getting on top of you and it all becomes too much you know you can always go to the back of your shed and check on that little box that you keep your feelings in!!!

GM Day at Tanunda

Sunday morning saw 7 Corvettes descend on the Caltex Service Station at Bolivar ready for the cruise out to Tanunda for the annual GM Day. Rudi and Kay arrived in their newly acquired bright white C5 convertible for its first club run.

It is rumoured that Peter & Lynda's car (aka.....The Blingmobile) got defected by the police on the day!! This had Peter's blood pressure on the rise for a few moments until he realised it was just Neil up to his old tricks. Steve & Tina Bryers were the trophy winners for the day picking up a prize for their Monaro (Monvette??). A great day out was had by all in fantastic weather conditions.

Specialising in C3 (1968-1982) Corvettes, we can do anything from routine maintenance to ground up restorations. This includes conversions to Right Hand Drive and reconversions on cars that do not meet current standards. We have a large inventory of new and used parts and panels in stock. Any parts that you require that are not in stock are normally 10-14 days away, as we place orders to America on a weekly basis.

Corvette Conversion Centre is pleased to announce that we have developed brackets to mount the RRS Rack and Pinion steering system to C3 Corvettes. This will be the perfect solution for poorly converted Corvettes or if you just want a more modern feeling steering system.

26th National Corvette Convention

For those of you who were unable to attend the convention below is an account of what happened.....although some names and exact details may have been omitted to protect the identity (and reputation) of those involved.

Convention Day 1 – Welcome to one and all

It was once said that all roads lead to Rome, but on Good Friday it was more a case of all roads lead to Rowland Flat!!! A steady stream of Corvette's from all over this wide country converged on the secluded and idyllic hamlet of Rowland Flat between Lyndoch and Tanunda in the Barossa Valley. Travellers from near and far checked in at the registration desk throughout the day to collect their goody bag and prepare for the eagerly anticipated days ahead. We were fortunate to have guests attending from almost every state and territory of Australia as well as from Canada the USA and just across the ditch from New Zealand.

The first event on the calendar was the 'Meet and Greet' Dinner which gave everyone the opportunity to meet new Corvette owners and reunite with old friends from conventions past. The venue for the convention was the Novatel Barossa Resort who provided us with a delicious dinner on the opening night.

Convention Day 2 – Cruisin' the Valley

Saturday morning saw an early start for some to begin preparations for the day ahead while others chose to work on their beauty sleep. In order to try and avoid losing anyone during the scenic cruise it was decided to break into smaller groups for the day. Seven groups of approximately 10 cars each made their way through the picturesque scenery of the Barossa Valley to the first stop at Birdwood some 45km away. The National Motor Museum at Birdwood provided the ideal backdrop for the morning tea break with a fantastic spread been supplied by the Birdwood Lutheran Church Auxiliary. Some took the opportunity to view the wide array of vehicles on display at the museum as well as the large number of XU1 Toranas that were also on show outside the museum. We then returned to our cars and rumbled out of the grounds en mass for the return trip to our lunch destination at Lyndoch. The Country Kitchen from Angaston did an excellent job of lunch and everyone enjoyed the chance to check out the vast array of Corvettes circled around the perimeter of the oval.

Originally when the convention was being planned it was proposed that lunch would be held at the Collingrove Hill Climb track near Angaston but unfortunately there were only limited numbers of Corvette owners who were interested in testing their skills on the track which didn't make it a feasible event given the level of support services required eg, fire and ambulance officers, track marshalls etc. so the decision was made to cancel the event and move the lunch venue to the Lyndoch Oval.

After lunch was designated as free time for everyone, some chose to explore the many wineries in the area, while others decided to return to the Barossa Resort to take advantage of the time to spruce up their pride and joy before the Show 'n' Shine scheduled for the next day. A makeshift car-washing facility was set up outside the Novatel and Mothers car cleaning products were kindly supplied to help bring people's car back to showroom condition. The rest of the afternoon was spent relaxing... aka..Nanna napping....ready for the night ahead.

At 6:00pm people began to board the buses that were provided to take them to the Wolf Blass winery near Stockwell. After having the opportunity to try some of the many wines on offer we made our way into the Barrel Room for dinner. In the Barrel Room we were privileged to have on display examples of each and every generation of Corvette ever produced from AJ and Julie's 1954 C1 through to one of the stars of the show Performax's C7 which was brought all the way from Queensland.

The evening's entertainment included an interesting presentation by Sharon and Bob Middleton which described their long involvement in racing from speedway through to the touring car masters. We also got to watch an exciting video of the thrills and spills encountered in truck racing after which we were introduced to race driver George Miedecke and told about his racing career. One of the highlights of the evening was the chance to listen to Mr Wolf Blass AM welcome us all to the winery that bears his name and to hear about his involvement in the wine industry. As a sign of respect to our host many of us wore a bowtie.....but without all of the formality that would usually accompany it.

Bob Butler then took on the role of auctioneer to try and raise some money for Foundation Shine through selling everything from Corvette memorabilia to signed bottles of Wolf Blass wine. Throughout the night we were also entertained by the band 'The Left Overs' who successfully got lots of people up dancing.

After dinner the majority of us headed back to Rowland Flat on the bus while some dedicated helpers stayed behind to clean up the aftermath of the night.....thank you all very much!

Neil explaining a few of the finer points of the C6 Corvette to Wolf Blass.

Convention Day 3 – Time to Show ‘n’ Shine

Easter Sunday saw another early start for some.....even the Easter bunny had to rush to do his rounds!!!

A perfect autumn day greeted everyone as they readied themselves....Easter eggs in hand....for the 9:30am departure to the Tanunda Oval for the Show ‘n’ Shine event. Some 75-80 vehicles positioned themselves on the oval to be inspected and judged by officials, other entrants and of course the admiring public.

Entrants then had plenty of time to wander around the oval checking out all of the cars or to pick up some advice from the guys at the Shannons Insurance and Mothers car care products stands. There was also club and convention merchandise available at our own stand.

The Show ‘n’ Shine event finished up shortly after 2:30pm and entrants had the rest of the day to either do their own thing or to take the opportunity to visit some other wineries in the area. The blue C6 convertible owned by Jan & Peter Cox from NSW was enjoying the ambience of the day so much that it didn't want to leave! However our friendly local RAA rep Barry was able to get the problem sorted for some very happy customers. Sunday evening was the Gala Dinner which saw everyone meet in the Shiraz Room at the Novatel Barossa Resort. Dinner was a lavish affair with many of the ladies....and some of the blokes dressed to kill. A terrific dinner was put on by the staff at the Novatel as we enjoyed the evening's entertainment. Sharon who gave us an interesting insight into Whiteline's racing achievements the night before was back to share one of her other many talents. She gave us a moving solo singing performance of a wide range of different musical genres....there was everything from ABBA to Jimmy Barnes classics. Sharon also took the time to explain the background behind her involvement in Foundation Shine and the objectives of this charity organisation. (continued on page 9)

Convention Day 3 (Continued)

As the night progressed we came to the prize giving ceremony from the days Show 'n' Shine event where a number of local entrants managed to score an award. (Please note that due to the limited space available the full list of prize winners will be given in next month's newsletter).

Dave Nitschke then showed us his auctioneering skills by putting a wide range of different items from posters to handbags under the hammer. A silent auction was also conducted, this involved those on each table writing down their highest bid for the table centrepiece (a mounted C7 car model), after many sideways glances the concealed bids were then returned to the officials to reveal the winner.

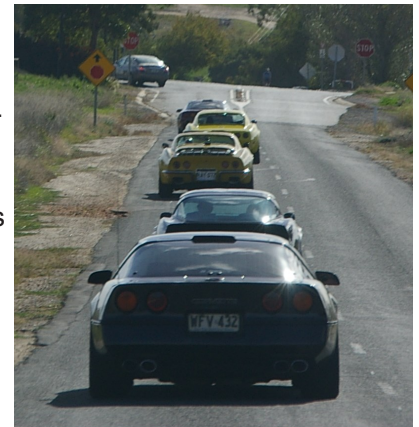

The night finished with the baton for the next convention being passed to representatives from the 'Corvettes of Canberra' club in the form of the perpetual trophy.

Convention Day 4 – Farewell!

The last day of the convention was a casual breakfast next to the golf greens at the Novatel which gave everyone the last chance to say their goodbyes and munch down on some yummy breakfast cooked by the convention team.

And before we knew it the National Corvette Convention was over for another year. We can only finish by once again thanking everyone who made this event the success that it was. You can be proud of your efforts in creating what was an exceptional convention, we really appreciate the time that you have given up to make this happen. A special thank you must go to Catherine for organising perfect weather over the entire weekend, apparently she had to send 4 letters to the big guy to make this happen.....no not Rob, the other big guy.

Hope to see everyone again in Canberra next year.....only 337 days to go!!

ANZAC Day Dinner

ANZAC Day saw 14 club members meet at the Lighthouse Hotel, Port Adelaide for the end of month dinner. Perhaps the locals had heard that we were coming and evacuated the building early as a precaution because we had the entire dining area to ourselves!! Anyway we took advantage of this exclusive setting and enjoyed a delicious dinner. A great night was had by all.
