MARCH NEWSLETTER 2016

PRESIDENT'S REPORT

Well another Corvette Club year has come to an end and we need to fill the committee positions again. For all the members that were on the committee I would like to thank you for all that we have done this last year. Now those that are thinking of joining the committee please do as we are a team that gets the things done that the rest of the club wants us to do. We also do it with fun and we all help each other. It has been a pleasure to be on the Corvette club committee and I look forward to the new committee.

Cheers Laurie KB

Birkenhead Tavern Dinner 22/1/16

Sean & Kirsty organised the Friday Night Dinner for January at the Birkenhead Tavern.

As Sean said "it's close to home". As I said "anybody that wants a dinner close to home just needs to organise it". Those that turned up had the usual fantastic time with club friends and a great meal.

Many thanks to Sean & Kirsty for a great night.

Fundraiser at Sprint Auto Parts Noarlunga

Although this was not a club event a big thank you goes out to those of our members who put their Corvettes on display at this event organized by the Chev club to raise money for the son of one of their members who has Leukaemia.

It encouraged many members of the public to come in and say hi and enjoy the sausage sizzle as well as visit Sprints.

Over \$300 was collected and the Chev Club greatly appreciated our involvement.

Australia Day Cruise 2016

To celebrate this great country of ours, the club held an Australia Day Cruise down to the beautiful South Coast. Organised by "Team Bling", Peter & Lynda, we all met at Hungry Jacks on Anzac Hwy. It was great to see so many Vettes come out and with such a great weather forecast, it was no wonder. After using Hungry Jacks toilets and clogging up their drive through, we were on our way after a quick run down by Pete. Down to Marion Road and up the Southern Expressway and back onto South Road, we only managed to cause chaos about six times with the traffic around us. Oh well, we all survived. Up past the Victory Hotel, we turned off and headed towards the Southern beaches. The beaches looked great, filled to capacity with cars and families enjoying the day. The queue of traffic coming towards us wanting to get onto the beaches had to be seen to be believed! We need bigger beaches!! Anyhow, the people waiting in their cars and sitting on the balconies of their esplanade houses appreciated the site of close to twenty Vettes rumbling the road. Plenty of waves and everyone was in good spirits. We were heading back up the coast sticking to the esplanades where we could and aiming for the McBride's house at West Beach. We lost sight of Laurie & Margaret plus Jim & Catherine when Laurie's car popped a pooper valve. Never good. They said they would catch up after a quick tweak. Meanwhile, I missed a turn near Lonsdale so decided to fly up to Hallett Cove and re-join the cruise there. Jim & Catherine somehow caught up in between and Catherine sent us a text bragging they were now in front of us only to drive over a hill to see us pull back in behind Pete – in front of them. It was then 'game on' to get to West Beach first. Only because I had to give way to an elderly old lady, they won.

Once at Peter & Lynda's, we all settled down for the afternoon eatin' & drinkin'. We had "Cookie Boy" Sean, Jim "Don't call me sauce" and Bob "where's the lamb" Butler on the two BBQs doing a great job. Loads of tucker and great cakes supplied by Karina. Then there were the clean-up angels at the end. "Thanks", you guys.

The BIG THANKYOU has to go to the McBride's. Where would we be without these guy's. It was a great run and a great destination on a great day. Well done.

Super Chevy Sunday #23 - 2016

For all those car show lovers here we go again with mad February commencing with Super Chevy Sunday.

The organizers were presented with a perfect 31degree sunny day this year which resulted in an entry field of around 170 gleaming Chevs of all ages and to include several travelling over from Victoria. The Gleneagles oval looked a treat and the organizers again looked after everyone with the facilities they had available.

The line up of Corvettes was impressive with thirty six counted in total which was the largest group of any Chev product there taking up more than the one full line across the oval put aside.

The high standard of vehicles on display continued on from previous years and it is always hard to pick the best in any group when completing the entrant's choice votes. Unfortunately none of our club members were successful in being awarded any of the three trophies allocated in the Corvette category however Laurie won the early entrant raffle draw of \$100 and Sean the "Billy Cart" stuffed with goodies in the fund raiser raffle.

Congratulation to both.

Thank you to all those who attended from the Corvette Club of South Australia Inc. to help make the day a success.

A great day had by all who attended and we wish the Chevrolet Performance Association of South Australia Inc. every success in organizing the 40th Chev Nationals to be held in Mt Gambier over 21st to 24th October this year. Article by John Randell

CORVETTES AT THE PORT

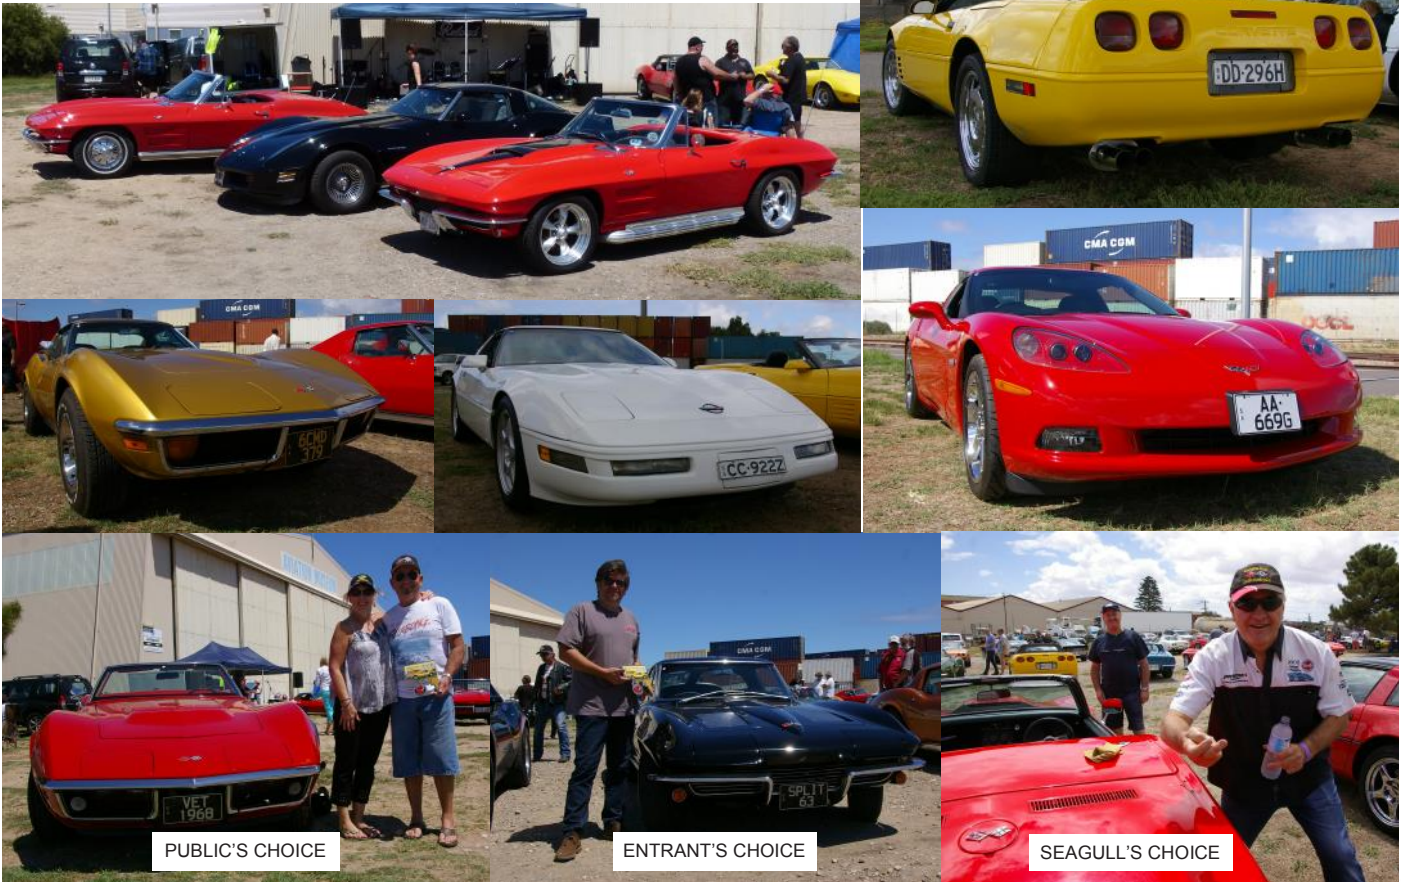

We started setting up at 7:45am and then Corvettes started to arrive. With the help of David, Pete, Lynda, John, Jenny and Margaret with a few from the Chev Club Neville and Christine all went well. The food and coffee van arrived along with the band and then the party started. We had 60 Corvettes covering all generations (except C7) and some we had not seen before. A couple of members renewed their membership and we also had 3 new members join. Welcome to our 3 newest members, Graham with a '85 coupe, Robert with a '56 roadster and Jack with his '91 coupe. As the day progressed a number of members took advantage of the free entry to the Aviation Museum (which was funded by the Corvette Club) to have a look around the many aircraft on display while others just sat back and enjoyed the sounds of the band 'Reload' and the chance to chat with the public and other members of the club.

We think a certain OneSteel member believes he has been culled from the club, but it is only a rumour even though a dream for a few. As always the COWS (Corvettes of Whyalla) led by their navigationally challenged leader Gus made themselves welcome and we all caught up with the gossip. We had 5 great raffle prizes from Sharon (Foundation Shine). The 'Entrant's Choice' trophy went to Spiro Spyropoulos with his beautiful '63 and Allan Norsworthy received the 'Public Choice' award with his '68. Tom Stanef received the 'Seagull's Choice' award with a display of precision bombing by our feathered friends targeting his car.....perhaps the shock of seeing it out of the garage caused them to crap themselves!

We would like to thank all those that came and supported the club for this our annual show 'n' shine event and all those that helped out on the day. A final thanks must also go to the SA Aviation Museum for allowing us to use their grounds.

Flash back

Back in the year 2000, the Corvette Club ran a series of motor sport events at the Tailem Bend Test Track.

We had a timed course layout incorporating short straights and curves of varying radius on the bitumen skid pan to identify our fastest motorkhana driver, and a timed 400m single car sprint down the 2km straight to determine the fastest Corvette over the "1/4" mile.

The winner of the inaugural motorkhana event was Peter Lakatos in his white 86 C4 Corvette. He was also the winner in our second motorkhana event in November 2001.

Peter was not at the subsequent club meetings to receive his prize, a custom labelled bottle of South Australian shiraz, so the bottle was put aside.

15 years later..... Peter was seen at a recent Zippel Cruise and mentioned he was to be at the Corvettes at the Port club day, so Tom Stanef (who organised the motor sport events back at the turn of the century) located the bottle and presented the prize to Peter before a few of our club members at the Aviation Museum.

Congratulations to Peter Lakatos for being the fastest motorkhana driver at the Tailem Bend track on 18th November 2001.

For the record, we also had prizes for consistency. The average of best 3 times over the course with first place going to Phil Simpson and second spot to Frederick Welsh. All the fastest times were recorded with C4 Corvettes.

However the leader board over the standing start 400m runs was dominated by C3 Corvettes, with Gary Belden in a big block C3 having the quickest time, followed by Laurie Witts in second.
